Working To Support Your Business.

# OUR VALUES

---

**Passion. Partnership. Opportunity.**

[www.thepoultryservice.com](http://www.thepoultryservice.com)

**Passion:** We are passionate about helping others grow, and about using our industry expertise to help play a part in others realising their potential.

**Partnership:** By being at the centre of trusted partnerships, so many more mutually beneficial opportunities, for both partners and clients can be created and developed.

**Opportunity:** In the food industry, opportunities are endless. We want to help both partners and clients create and develop as many opportunities as possible.

## OUR MISSION

To Provide Care, Value And Support To Accredited Businesses Within The Global Food Industry, Through Developing And Growing Business Opportunities For Our Clients And Striving For Continuous Growth With Our Partners.

# PRODUCT SOURCING & BUSINESS DEVELOPMENT

Our Product Sourcing & Business Development Package

# PRODUCT SOURCING & BUSINESS DEVELOPMENT

“Supporting Creativity With Food”

By working collaboratively with our extensive network of BRC & IFS accredited partners, we can help and assist Wholesalers, Food Service Providers and Food Manufacturers from all over the world by providing great quality products and solutions for their business.

By building long-term commercial relationships, and managing a short and flexible supply chain, we can help by supporting your business with our expertise; adding value to your business in this area, no matter where in the world you are based.

# Through Our Product Sourcing & Business Development Service, We Are Able To Support Your Business With:

## + **Providing An Ever Growing Range Of Products Of The Highest Quality**

Using our 25 years of industry knowledge and experience, and through our strategic partners, we can offer support to your business by providing and developing the products that you and your customers need, to be ahead of the curve with the latest market trends, and to provide a strong and flexible supply chain between you and trusted producers and importers.

By using our expertise, we save you time and money, giving value in the process.

## + **Fair & Competitive Prices & Costings**

We commit to always making sure we provide competitive pricing on any costings, taking into account all of the costs involved throughout the entire supply chain and maximising cost efficiency.

Simple, honest business and support with no nonsense.

## + **Project Development & New Opportunities**

In a world that's ever-changing, and always providing endless opportunities, we are committed to being at the forefront when it comes to learning about the latest products, requirements and market trends, working closely with both producers and customers to develop these ideas.

## + **Commitment Towards Continuous Improvement**

We commit to always learning and trying to be the best we can be in all service areas we provide, taking feedback from producers and customers, using it constructively to always aim to build on the high standards we set.

# Helping Buyers Keep Connected.

We aim to ensure that we provide our partners with sustainable outlets for their products and provide our clients with long-term progressive supply solutions.

## + **Account Management & Round-The-Clock Support**

We can provide a full and comprehensive account management package between yourselves and our trusted partners.

## + **Market Knowledge**

Sharing Industry and Product Knowledge to allow for mutual learning and growth.

## + **New Product Development**

We can offer to work with you on the development of new products and ideas, with a unique and tailored brand identity to compliment your business.

## + **Fair Pricing Promise**

We commit to always providing fairness for all parties on any costings, right through to the market price of raw materials, costs of production, transport and our service fees, which will be pre-agreed with you in advance.

Simple, honest and respectful business and support, with no nonsense.

## + **A Purchasing Account With Payment Terms\***

An account with pre-agreed payment terms to support cashflow and business growth. \*Subject to credit insurance agreement and acceptance from our partners.
